TICK OFF YOUR STARS AS YOU GO!

SCOOTSAFE
TEACHING CHILDREN TO SCOOT SAFELY

Become a Scoot Safe star by following these rules when using your Micro Scooter

1 Wear your **helmet** every time you scoot.

2 Use your **brake** to stop your scooter.

3 Don't scoot too far ahead of Mum/Dad.

4 When Mum/Dad says "STOP" you should **wait where you are**, or scoot back to them.

5 Always **stop** (using your brake) well **ahead of the kerb** at roadsides.

6 Always **get off your scooter to cross** the road.

7 **Get off your scooter if someone is walking towards you** and there is not enough room on the pavement.

8 Master the **tilt to lean style of steering** of your Micro scooter.

9 Don't throw your scooter on the floor after using it.

10 **Be Seen, Be heard.** Ring your bell to let others know you're near and use your light so others can see you.

GOOD WORK!
